

THE DAVE HOLMES TAUNT-O

Level D Street Event TAUNTON Saturday 6th July 2013

QO invite you to a very special event in memory of Dave Holmes, who passed away in November 2012. Dave had been a huge part of the club for over 25 years and will be sorely missed. In the last few years Dave had spent a large amount of time mapping Taunton, and so in his honour the club are putting on the inaugural Taunton Urban Event and welcome you to join them after the event for food and drinks and the awarding of the Dave Holmes trophy. www.quantockorienteers.co.uk

Please note the map is NOT an urban event standard spec. as we are using an interconnecting compilation of his maps. See a sample on the QO website.
