

SWOA Website Manager required

A volunteer is wanted to take over from Chris Derrick of BOK, who has run the SWOA website for several years. Suitable experience of club websites or others is required. The website needs to be reliable and easy to use rather than beautiful; it is important that new items be posted promptly. Links are provided to the BOF site and BOF fixtures and to club websites, and email contacts for SWOA officials and club secretaries. Amongst other contents will be Galloper results and official documents. Reasonable running expenses will be paid. For more information and to make an offer email or ring the SWOA Secretary Arthur Vince [arthur.vince@btinternet.com, 01935 863429] ASAP and in any case by 15th October.
