EXPLANATORY NOTES:

Scores in *italics* indicate that the competitor was the planner, organiser or controller for that event and has been assigned the average of their scores across the league for their score in that event. Where someone has taken on these roles on two or more occasions, only the first such average score will count towards their total score, with subsequent non-counting averages shown in *grey italics*.

Age classes shown are those of the competitors in 2026. Where this has changed from 2025 this is indicated by an asterisk. Handicap scores are calculated based on the competitors' age class at the time of the event in question.

All scores are displayed rounded to the nearest whole number, however ranked positions and competitors' best 3 scores are calculated based on full decimal accuracy.
