Others 2025-26

Chris Philip asked me if the club championships could be deferred to 2026 and I have agreed, so there will be no club championship in 2025.

There is also no proposal for a Christmas event.

Olly & Graham have proposed an urban in Spring 2026 as part of the BOK Wednesday evening series.

JK / Urban 2028

Following the success of the Bridgwater Urban, Jim Mallinson proposed we hold an Urban at Burnham in 2027. Previously we decided that because we have the Southern Championships in 2027 we'd prefer to defer the urban to 2028.

Then the possibility of QO doing the Sprint day as part of the JK weekend JK option came up.

However SWOA have now declared that the region cannot host JK in 2028 owing to lack of suitable areas being available for the long and middle events.

Therefore our offer of hosting a Sprint as part of the JK is not being taken up.

Now the JK option has gone, I propose we revert back to holding the Burnham Urban in 2028.
