

## **Events**

We have successfully delivered 3 of our 5 Autumn term events. Overall, 59 different people have participated with 75 runs being completed (Hare 8, Squirrel 26, Badger 12 and Fox 29). There will be two more events before Christmas and five in the spring term.

## **Looking ahead**

On conclusion of the spring term Sue and I will step down from the JOG Coordinator role but will continue to assist as planner/controller/organiser for events if a JOG programme can be established by a new coordinator.

I plan to send out the following email on Monday 27<sup>th</sup> October (just after Blackborough)

## **Opportunity**

Our Junior Orienteering Group (JOG) events provide a low key and fun environment to introduce novices to our sport whilst also providing training exercises for more experienced orienteers.

We are looking for a Coordinator(s) to oversee the programme of JOG events starting summer 2026. This role involves establishing the fixture list and liaising with planners, controllers and organisers to deliver events that encourage people into the great outdoors and put smiles on faces.

You will be supported fully in establishing the fixture list for the new season and in operating our events process. Preparation for the 2026/27 season starts soon, so it would be good to have the JOG Coordinator(s) in place by 1<sup>st</sup> December 2025.

If you are interested in this rewarding role please contact us, without commitment, at [jog@quantockorienteers.co.uk](mailto:jog@quantockorienteers.co.uk).
