

Norton Manor Camp - 21 June 2006

Organiser's Comments:

Thanks to you all for coming. I hope you all enjoyed this low key event. I am sorry we could not offer a full score as advertised but you seemed to like the combination of loop courses or and short score. Big thanks to Brian for planning and setting things up for me. Also thanks to Mike and Roger who had been there all day for the schools event and still stayed on to help collect controls and clear up afterwards.

Well done Chris for doing the fastest loops. I thought you had also done the fastest score until we realised you had missed the three controls west of the pavilion and you headed off again. On the score course, Ruth was well ahead of everyone else. Let's hope that's a good sign for your international events.
