

## QO Score 1 at Crowcombe Heathfield on Saturday 31<sup>st</sup> May 2008

↳ REXTON GORSE

Many thanks to you all for coming along to, I hope, enjoy the day. In spite of the very heavy rain of three days ago much of the forest was very runnable. I am sure the only thing that stops us contemplating a larger event there is the lack of car parking facility; perhaps we should research that before the foresters move in!! It was great to see one or two new faces both young and a little older! My thanks to Maren for turning it into an international event and hopefully raising our status in the South West!! My thanks to Bill for his 'results' service and completing the total two man event team, it can be done you see!! You should note that the scores have been rounded which may make the odd point difference here and there.

Prize winners are Ben Chesters (1<sup>st</sup> Senior), Sue Gard (1<sup>st</sup> handicap), Duncan Taylor (1<sup>st</sup> Junior) and Simon Beck (Lucky Dip). The prize is a voucher for a free entry to one of our events.

The next Score event will be at Staple Hill on Saturday 28 June. Unlike today I will have more Yellow controls out both on the map memory score and the ordinary score. See you all again soon I hope.
